

TIM Exported Constants

```
graph LR; A[TIM Output Compare Idle State] --> B[TIM Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "TIM Exported Constants". The box on the right is gray with a black border and contains the text "TIM Output Compare Idle State". A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the state to the constants.
